THE EYE OF LUCIFER

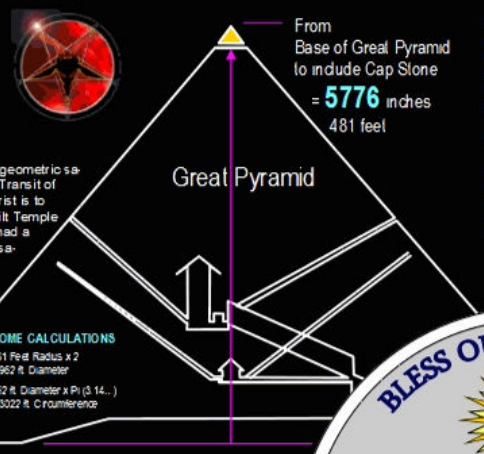
IN THE HORNED PYRAMID OF TAURUS

CORRELATING WITH TRANSIT OF VENUS

THE RISE OF THE ANTI-CHRIST (AC)

The purpose of this illustration/chart is to correlated several layers of symbolism with historical & geometric sacred geometry to possibly obtain clues to when the possible 3rd Temple is to be built & what the Transit of Venus has to do with that. This illustration seeks an understanding of when, possibly the Anti-Christ is to manifest himself to the World; either as a 'savior' of sorts & then sitting himself down in the Rebuilt Temple perhaps in 2015/16. A primary source will be used from the research & work of David Flynn. He had a unique study regarding the 1st Temple build by Solomon & found that it was associated with the sacred geometry of the Great Pyramid. According to his calculations, shown below, 2016 has to do with a fulfillment regarding the 3rd Temple. He also correlates the masonic unfinished pyramid Reverse Seal of the USA to calculate the start of this Secret Society's Endeavour.

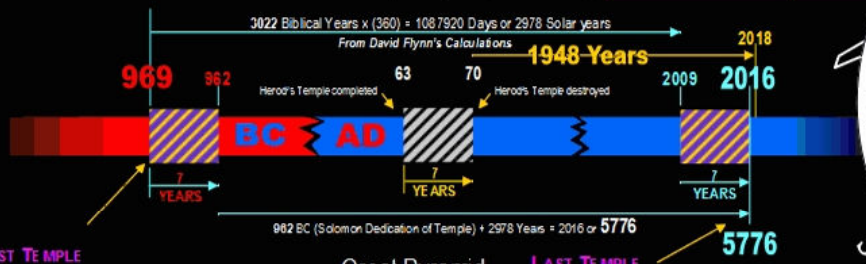
Based off the theory, the element that I wish to highlight & bring attention to is that, when using this template from 962BC, you do in fact reach the 'All Seeing Eye' in 2012. This is a direct link to the timing of the *Transit of Venus*. This celestial phenomena precisely occurs on July 4, 2012 when the 'Eye of Lucifer' is astronomically attained in the Heavens by way of the Venus Transit, looking East at the 'apex' within the Horns of Taurus. Will this 'event' initiate the protocols for the re-building of the 3rd Temple that once stood on Solomon's Temple Mount?



SOME CALCULATIONS

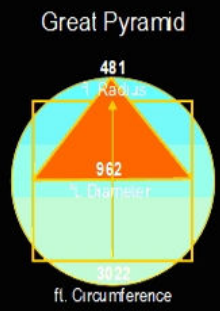
481 Feet Radius x 2
= 962 ft. Diameter

962 ft. Diameter x Pi (3.14...)
= 3022 ft. Circumference



FIRST TEMPLE

The 1st Temple of the God of Israel was erected by King Solomon, Son of King David. It took 7 Years to complete starting in 969BC. The Temple was dedicated on 962BC. These Dates are in dispute as there are other possible dates that have been postulated. There are several entities that have a direct interest & hand in seeing the 3rd Temple rebuilt. The Orthodox Jews of Israel, the Vatican, the masons & lucifer himself.



LAST TEMPLE

The 'Last' Temple before the Millennial Reign of Christ that will have the 4th Ezekiel Temple will be where lucifer will pronounce himself God & seek compulsory worship & loyalty on all levels. He will be the 'head' or the 'Cap Stone' of the New World Order. Perhaps this will happen as the calculations suggest in the Jewish Year 5776 = 2015/2016

THE GREAT WORK

The 'Great Work' of lucifer who is now satan is being accomplished through his minions, governments, secret societies to prepare the world for his false death & resurrection. This is alluding to the "Lie" that the Bible speaks about; that will be promulgated by his new world religious, economic & social order. The Bible even tells us regarding the timing; that it would be in the 'season' of when the 'Restrainer' –the Holy Spirit would be taken out of the way to then have revealed to the world who the AC really will be.

From this point of view, Venus traverses up the 'pyramid' made up of the 2 Horns of Taurus to become the apex in the 'pyramid' due to its retrograde motion. This means it appears to go 'backwards' in motion. The TRANSIT OF VENUS, at this juncture, on July 4, 2012 will depict the *'All Seeing Eye of lucifer'*. This is the same emblem used in the adoration of lucifer by the secret societies & synagogues of satan. The *Transit of Venus* has happened in the past but not on a July 4th. It will be a momentous milestone in history. Will this be the time that the Anti-Chris is to be revealed? Or the Rapture of the Christian Church, to take place? Regardless it is a most significant day to watch.

DAVID FLYNN'S RESEARCH

According to Flynn's conclusions, the illuminati have incorporated the Great Pyramid's geometry that is needed to complete their work. They will take 7 years that began in 2009 as was the Temple of Solomon built in 7 years. In Freemasonry, 1776AD was the 'Year of Light 5776.' The Great Pyramid is 481 feet tall with Cap Stone or 5776 ft. The Great Pyramid's perimeter is 3022 ft which equals the years from 962 BC to 2016 AD. The year 2016 is 5776 in the Jewish Calendar. There are 3022 Biblical years of 360 days that equal 2978 years. There are 2978 year from Solomon's dedication of Temple in 962 BC to 2016

FROM LUIS B. VEGA CALCULATIONS

3022 Great Pyramid circumference x 360 Biblical Years
= 1087920 days / 364 Solar Years
= 2980.6 years - 962 (Dedication of Solomon's Temple)
= 2019.79 + '7 Year Tribulation' = **2012**

2016 — 5776
2012 — 7 YEAR Pattern
2009 — TRANSIT OF VENUS

From 1776 Base Year
=19.48 X 12 Steps
= **233** Years
233 Years + 1776 =
2009

1776
